Northwestern College
Established 1902

Presidential Scholarship

Criteria

- First quarter status
- Received high school diploma within one year of entering Northwestern College
- High school cumulative GPA of 2.75 or above on a 4.0 scale
- ACT score of 20 or above
- Must enroll full-time in an associate in applied science degree program at Northwestern College or take the maximum credits allowed according to the admission requirements

Award

- $4,800 total ($800 each quarter for a maximum of six quarters)

Requirements

- Submit completed application along with a statement of high school or community activities and a letter of recommendation from a high school faculty member
- Meet all admission requirements and be granted admission to Northwestern College
- Maintain full-time status and continuous enrollment each quarter
- Maintain a 3.0 or higher cumulative GPA
- Have no outstanding debt to the College

Conditions

- Northwestern College scholarships are not redeemable for cash, are nontransferable, and can only be applied to tuition.

How to Apply

- Submit your signed, completed application form to the Admissions Department with the following documents attached. Incomplete applications will not be considered.
    - A statement regarding your high school and/or community activities
    - A letter of recommendation from a high school faculty member
    - An official copy of your high school transcript

Deadline:
One week before classes begin each quarter

Presidential Scholarship

The Northwestern College Presidential Scholarship is based on a student's ACT score and his/her high school grade point average. Currently, entering freshmen who have a cumulative grade point average of 2.75* or higher on a 4.0 scale and have a composite score of 20 or higher on the ACT are eligible to receive this scholarship. Students who qualify are eligible to receive a $4,800 tuition scholarship, distributed at the rate of $800 per quarter.

All scholarships are nontransferable and must be used in conjunction with an associate in applied science degree program. Quarterly application to tuition is automatic as long as a 3.0 cumulative grade point average, continuous enrollment, and full-time status in the declared major are maintained, and there is no outstanding debt to the College. The Presidential Scholarship may not be combined with any other Northwestern College scholarship. This scholarship may not be combined with Northwestern College employee benefits.

**Applicants who have graduated from high school must submit complete transcripts. Applicants who are still in high school may submit transcripts through the end of the first semester of their junior year.*

Deadline:
One week before classes begin each quarter
