

5 Aces Club

Criteria

- Continuously enrolled in an associate in applied science degree or certificate program at Northwestern College.
- Must not be on probation.
- Applies only to "A" grades earned in classes starting the quarter the application is submitted (if prior to add/drop period) and going forward. If submitted after add/drop period in a given quarter, applies to "A" grades earned in the following quarter. Does not apply to any "A" grades earned prior to submission.
- Does not apply to transfer credits.

Award

- Up to \$500 in tuition credit for the following quarter after earning 5 final "A" letter grades.
- Award will be made after all grades have been entered into the College's record system and after the add/drop period for the quarter of the award.

Requirements

- Students may earn 1 or more (up to 5) "A" grades in any given quarter, or receive "A" grades in consecutive or nonconsecutive quarters following application submission as described above. The award will apply to the quarter directly following the quarter in which the fifth "A" grade has been earned. (If the fifth "A" grade is earned during a student's last quarter, then the \$500 tuition credit may only be applied as a \$500 credit toward out-of-pocket expenses up to \$500 if there is a balance on their account, and a copy of the completed program evaluation must be provided.)
- Students must be continuously enrolled and registered for classes in order to remain eligible for the award. Eligibility is voided if a student fails to be enrolled in classes for any quarter following application and prior to earning 5 "A" grades.
- Students may re-apply for this award after receipt of a \$500 tuition credit on a previous application, or if eligibility is voided due to a lapse in enrollment during a previous application.

Conditions

- Northwestern College's 5 Aces Club awards are not redeemable for cash, are non-transferable, and can only be applied to tuition and fees. Awards cannot be applied to outstanding federal or personal loan balances.

**Deadline: Last day of
add/drop for the quarter.**

How to Apply

- Submit signed and completed application form to the Academic Advising Department with the required documentation by the stated deadline.

5 Aces Club

The 5 Aces Club tuition credit was created to recognize student success. Any student receiving five "A" grades is eligible to receive a \$500 tuition credit. Students may earn one or more "A" grades in any given quarter, or receive "A" grades in consecutive or nonconsecutive quarters. The 5 Aces Club will only accept grades from the quarter the application is submitted (if prior to add/drop period) and going forward. If submitted after add/drop period in a given quarter, "A" grades earned in the following quarter will be accepted. "A" grades earned as transfer credits or in quarters prior to submission will not be accepted. In addition to earning five "A" grades, students must also be continuously enrolled and in good standing in an associate degree or certificate program at Northwestern College.

A one-time tuition credit will be applied to the quarter directly following the quarter in which the fifth "A" grade was earned, after all grades have been entered into the College's record system and after the add/drop period has ended. If the fifth "A" grade is earned during a student's last quarter, then the \$500 tuition credit may only be applied as a \$500 credit toward out-of-pocket expenses up to \$500 if there is a balance on the student's account. In this case, a copy of the completed program evaluation must be provided. This tuition credit is not redeemable for cash, is nontransferable, and can only be applied to tuition and fees. Awards cannot be applied to outstanding federal or personal loan balances.
