Psychology Resources

Browsing the Shelves

The Dewey Decimal Classification number for psychology books is “150”. This is the “call number” on the spine of the book. The “call number” in the item record indicates its location on the Library’s shelves. Browse this area of the Library’s collection for titles on the subject of psychology.

Online Resources: Books

To search for books and other materials in the Edward G. Schumacher Memorial Library, go to www.nc.edu/library and search the “Oasis Online Catalog”.

- You may search by title, author, and subject.
- When you search for a keyword “ANYWHERE”, you will find many books.
- When you search for a keyword in “TITLE”, you will limit your search to books that contain that word in the title.

You may combine terms in “Enhanced Search”.

Example: women AND depression

Examples of keywords to use when searching for books or articles:

Personality

Abnormal psychology

Anxiety disorders

Behaviorism

Panic disorders

Depression

Cognitive therapy

Introversion

Agoraphobia

Carl Jung

Bipolar disorders

Obsessive compulsive disorders

Hoarding

Neuroses

Online Resources: Full-text articles

Link directly to the **EBSCOhost** and **ProQuest** databases from the online catalog.

To access the **EBSCOhost** databases remotely:

<http://search.ebscohost.com>. Please contact library staff for the ID and password to use (library@nc.edu).

Choose “EBSCOhost Web” and the following databases:

- CINAHL
- Health Source: Nursing/Academic Edition

Type in keywords + click the “full-text” box to search for articles.

The **ProQuest** online database at <http://search.proquest.com> contains full-text articles from many psychology and health-related journals. For remote access please contact library staff for the ID and password to use (library@nc.edu).

Search **Issues & Controversies** at <http://icof.infobaselearning.com>. Please contact library staff for the ID and password to use (library@nc.edu).
